

Lenel Certified Opportunities

Our client is one of the fastest growing electronic and IT security integrators in the DC area. They are always in need of Lenel certified personnel to meet government contracts.

Requirements:

- Lenel Certified at Any Level or currently working on certification
- Salary based on certification level and years of experience

Clearance Requirements:

- No criminal record
- No IRS issues
- Average credit rating acceptable

Benefits:

- Medical
- Dental
- Vision
- 401K

If you have any interest, please contact me at your earliest convenience and reply with best phone number.

If you lack personal interest but know a great candidate, I would appreciate the referral.
