Vice President Environmental Programs Business Unit

Welcome to ERT's 26th year. ERT is committed and passionate about growing to the next level.

ERT has made a commitment by adding an accomplished, seasoned, senior level executive to advise ERT's leadership in winning \$100+M single award contracts.

As part of ERT's commitment to reach the next level, ERT is acquiring three senior level professionals. In addition to the VP of Business Unit, we are recruiting the [SVP of BD](#) and the [VP of BD/Capture](#) who will integrate their efforts in order for ERT to win large awards.

ERT has retained Boxwood to acquire the "right talent" who can grow the company. We invite you to learn about ERT's passion for building more growth and help us determine if we are a good fit for each other.
